Answer YES or NO to each of the following questions:

YES/NO

- No 1. Did the facility ever file with EPA as a Treatment, Storage, or Disposal Facility? If YES, what is the date of the filing?
- No 2. Was the facility a TSDF for any period of time after November 19, 1980? (If so, the facility had a Part A permit which granted interim permit status or a Part B permit).
- \_\_\_ 3. Did the facility ever have interim status (i.e Part A permit) but converted their status from a TSD to either a generator or non-handler?
- \_\_\_ 4. Did the facility receive a consent order as a result of the converter process?
- No 5. Did the facility come online after November 19, 1980 and obtain a Part B permit?
- No 6. Is your facility a generator that has received a notice of violation for storage of hazardous waste over 90 days?

If you answered YES to any of the above questions, your facility may be eligible for RCRA Corrective Action, and the matter should be discussed in greater detail with your Lead Site Assessment Manager and Project Manager.
